For its members, CLHS...

- offers discounted rates for CLHS conferences and a 10% discount at the CLHS bookstore
- provides inclusion in League Links — the CLHS electronic network that delivers a newsletter, regular updates and special membership and conference information via e-mail
- represents high schools at the state and national levels
- recognizes outstanding high schools and educators, and facilitates visits to exemplary schools
- serves as a resource for information on education publications, materials and agencies
- provides information and access through its website

* receive one free conference registration to any of our 2011-12 events. Details will be emailed with membership confirmation.
